

Nano Engineering Laboratory

Sl. No.	Name of the Equipments
1	Ultra Sonicator with Heater & 3 wave forms
2	Magnetic Pallets
3	Digital Weighting Machine
4	Muffle Furnace
5	Hot Air Oven with 3 side Heater with Digital Temp. Sensor
6	Four Probe Method, Research Model
7	Double Distillation water still with Auto cut off
8	Contact Angle Meter
9	Ball Mill
10	Spectroscopic Reflectometer
11	Spin Coating Machine
12	Dip Coating Machine
